Work Experience

DATES	Feb 2015 - Present HCL Tech
COMPANY	HCL Tech
WEBSITE	http://www.hcl.com/
RESPONSIBILITIES	At HCL, I am responsible for Architecting, Coding, DevOps and Scaling both front-end and back-end. I learned how to decouple Front-end completely from Back-end too. I also got to train some of my colleagues.

DATES	February 2015 - February 2016
COMPANY	HCL Tech
WEBSITE	http://www.hcl.com
RESPONSIBILITIES	During this time contributed to Openstack.

DATES	June 2013 - April 2014
COMPANY	Blog
WEBSITE	https://pythonselenium.blogspot.in
RESPONSIBILITIES	I started this blog to teach people about test automation using selenium.

judeaugustinej

DATES	August 2013 - August 2014
COMPANY	C-DOT
WEBSITE	http://www.cdot.in/
RESPONSIBILITIES	While I was at C-DOT, my work was mainly developing web-apps, testing and maintaining servers. Here I was introduced to power of Linux commands.
